<p><b>Summary</b></p>	<p><b>National Voters Day was observed on January 24th, 2023. On this occasion, students from various schools performed drama and songs to spread awareness about the importance of exercising one's right to vote. The event was a success and helped educate the students about the importance of participating in the democratic process. The performances by the students were well-received by the audience and helped in promoting the message of voter education and participation in a creative and engaging way.</b></p>

<b>Participant Details</b>	<b>No. of Faculty:</b> <b>No of Students:</b>
<b>Outcome of Programme</b>	<b>Outcome of this program was to educate the students on the importance of participating in the democratic process and the significance of exercising their right to vote. The program aimed to create awareness and encourage students to be proactive in participating in the electoral process and understand the importance of casting their vote. Additionally, the program aimed to raise voter turnout among the youth population, which is often lower than the older population. Overall, the program was successful in raising awareness and educating students about the importance of voting and participating in the democratic process.</b>

**Program Summary:** The Manipal School of Architecture and Planning Organized the self defense training session as per the directives of UGC's women and child empowerment drive.

**Participant Details: 28 participants, faculty, spouses and their children.**

**Outcomes of the Programme :** The Manipal School of Architecture and Planning recently organized a Karate training session with the aim of promoting and creating awareness of self-defense to empower women and children, in line with the directives of the UGC (University Grants Commission). The event began with an inspiring speech by the Director, highlighting the importance of self-defense and its role in empowering individuals. Professional black belt karate trainers were invited to conduct the training, focusing on women faculty members and children under the age of 15 who were part of the faculty's families. The session served as a valuable opportunity for participants to learn essential self-defense techniques, fostering a sense of confidence and safety among women and children within the MSAP community.

**Program Summary:** Ailaan (Dramatics forum) of Manipal School of Architecture and Planning organized the event to create awareness about anti ragging in the institution for students and faculty.

**Participant Details: No. of Faculty: 45**

**Outcomes of the Programme :**

The Ailaan, which is the Dramatics Forum of the Student Council at Manipal School of Architecture and Planning, orchestrated an event with the aim of raising awareness about the harmful consequences of ragging and promoting an anti-ragging stance. This important message was conveyed through a compelling drama performance. The event succeeded in effectively enlightening the audience about the detrimental aspects of ragging, leaving a lasting impression on their minds. Furthermore, it served as a motivating force, inspiring students to proactively take measures to prevent and combat ragging incidents.
