Sub: Regarding the collaboration of research study on "Influence of Irrigation regimens on the Bonding of Sealers to Irradiated root dentin"- Ex-Vivo study
Greetings,

Dear Sir/Madam,

In our recent research collaboration with Dr. Vasudev Ballal, we undertook a study on the "Influence of Irrigation Regimens on the Bonding of Sealers to Irradiated Root Dentin - Ex-Vivo Study." After conducting a comprehensive analysis, we are pleased to report that we have successfully prepared and obtained the results within the stipulated time frame.

Thank you

1st March 2024

Regards

Dr Krishna Prasad Shetty M.D.S PhD
