Re: Approval of your proposal for the IRA Research Grant

Dear Dr Prabhu,

The IRA is pleased to inform you of the successful outcome of your grant proposal "An integrated transcriptomics and proteomics approach for identification of altered plasma miRNA and blood proteins as composite biomarker panel in lupus flare" as enclosed with this letter.

The grant amount is Rs 10,00,000/- (Ten lakhs only) and will be disbursed in phased manner as per the stipulated rules which can be found at <https://www.indianrheumatology.org/grants> under subheading "Funding".

The research monitoring committee of the IRA would monitor the progress. Please liaise with the IRA Secretary and provide the required details to enable payouts.

Best wishes

Dr S Chandrasekhara
